Yesterday's results: Cananea 4, Douglas 3. El Paso 5, Bisbee 3. Today's games: Douglas 9, Cananea 0 (Forfeited). El Paso at Bisbee. Douglas at Cananea.

After having the game as won, Bisbee went to pieces and allowed the Mavericks to nose them out five to three yesterday afternoon. It was a hard game to lose, especially when it looked as if the locals had things all to themselves. McKay, late of the Houston team of the Texas league, occupied the mound for the visitors, and although he had a couple of seasons of league experience to back him up, "Jawn" Marshall gave him a run for his money. Marshall's support at critical times was bad, extremely bad, otherwise elongated one would have expected first place. He was hit harder than McKay, it is true, but then McKay was favored by Dame Fortune.

In the eighth and ninth inning things broke horribly for our boys. Graham told his men to swing at the first one as soon as a man reached the sacks. With the proceedings thus far 3 to 2 in favor of the visitors Harry put one down to Wright at second that singled his mitts. Thinking that Martine was going to slam the first one, Graham started for second. The ball went wide, Martine waited instead, and Graham was nabbed. Martine then popped to Wolfe. Kelly got a pass and started for second, thinking that Harris would poke the initial one, but it was just like Martine's did; the first one being wide and Harris waiting, while Kelly started for second and was thrown out. In the ninth errors threw the game away, the visitors scoring three times.

Marshall helped things along for the Mavericks in the second when he heaved badly to second on what appeared to be a certain double execution. With one gone Downey punched a single to left and Wolfe slammed a ground hugger to Marshall. "Slats" threw high to Graham at second and Harry dropped the cover. Brewster bit the dust. Wright passed a single to left, scoring both Downey and Wolfe. Martine pegged low and Grindle couldn't stick to the horsehide. Otherwise Wolfe would have been meat. The Mavericks threatened to score in the fifth, but this time "Slats" heaved to second in swell fashion and pulled off a double. With one out Flick singled to right and Stovall bounded to Marshall, whose toes at second got Flick. Harris whipped her over to Gill in time for the double.

In the fifth "Pinkie" Grindle poked the first one over to center for one station, and Gill popped a foul in an effort to sacrifice. Marshall ozoned and Maag tore off a single to center sending "Pinkie" to third. Then Flick mused Johnson's grounder and "Pinkie" came home. When Flick recovered the sphere he made a mad house heave to first, the ball rolling to the bleachers. Maag did a dog trot to the plate and Johnson went to Wrightown. Graham skied to Flick.

Brewster opened the seventh with

a high one to Johnson and Wright smashed one to right. He went to Grahamville on a wild heave by Marshall. Ketchum couldn't see 'em, and McKay was deadheaded. Flick grounded to Gill, who juggled the ball and then threw to Marshall at first, but Marshall didn't have his lunch hooks extended and the ball rolled away. Wright scoring. McKay tried to reach third, but Grindle's peg to Maag got him.

In the ninth Wolfe started with a rap that almost tore off Maag's digits. Brewster sacrificed him to second, and he scored on a clout to left from Wright, the latter's third smash. Martine got Ketchum's fly, and Harris booted McKay's grounder, scoring Wright. Flick's rap was too high and too hot for Harris. Stovall sent one to Graham, who mused it on the run, and McKay came home. Both runners moved up on a passed ball and then perished, Stovall beating the air.

The locals made a tough fight in the ninth, and started what looked like a trip to the clouds for the Mavericks, but it didn't last any longer than a June frost on Broadway. Harris opened by sending one to the angels in center for three sacks and counted when "Pinkie" died Flick to Gray. Gill smashed a flyer to right, but Stovall's Marathon checked him out of a safely. "Ma" Marshall pushed one to McKay, whose toes ended the game.

Notes of the Game

Guess who's here? None other than "Whitey" Hewitt. We still remember the day and date "Whitey" got canned at El Paso, but since then the El Paso directors have "reconsidered," and have "invited" "Whitey" to come back. Of all the jokes in the Cactus league this year the release of Hewitt was the greatest. Baseball furniture like "Whitey" isn't to be found every day.

Jimmy Tomman, the chap who caused the rumpus between the Dons and Mavericks at the Pass City Sunday, was the supreme court. Wonder if the newspaper that Jimmy reads does not carry the advertisement of an optician, or wonder whether Jimmy knows there is anything like an eye doctor?

Thirdbaseman Buckles, of the locals, has been released. It is said the directors were responsible for his head falling. Rhinehart, of Cananea, will not be seen with the club any more this year.

Maag, Harris, Kelly and Johnson, the new players, played a nice game. Kelly was a bit erratic at short, but they all have their off days.

Keep your optics on that sorrel-topped Downey. He's headed for the big show, sure enough. "Red's" club is chuck full of obituaries, and had it not been that Marshall outgeneraled him, "Red" would have been a regular wrist slapper.

It's the same teams this afternoon, with Cummings for weans and Harry Ables, the Texas league star, for the opposition. This streak of cussed luck that has been hanging over the local camp so long is bound to make its get-away some day, and like as not that day will be today.

In the sixth round Kelly robbed Downey out of a double after a great Marathon.

Cananea 4, Douglas 3. CANANEA, Sept. 17.—(Special)—

Cananea won an exciting game today from Douglas by a score of 4 to 3. Thomas and Whaling and Kane and Powell were the opposing batteries. The game resolved itself into a pitcher's battle, and was one of the best seen here this season.

Friday's game was forfeited to Douglas by a score of 9 to 0 by Umpire Allen in the eighth inning, with the score 5 to 4 in favor of the visitors. The locals had a man on third with one out.

The game was a chewing match throughout, and three of the locals and four of the visitors were benched. In the eighth Allen benched Thirdbaseman Goodman of the locals, and the team was short a man. The game was called and as the locals could not fill the vacancy within five minutes Allen forfeited the game.

Pitcher Wylie has left the local club and has returned to his home at Santa Barbara with his wife, who is seriously ill. He expects to return just as soon as she recovers.

MANY HUNTERS OUT

Deputy Sheriff Will White returned yesterday from his trip to the California-Paradise property in the Chiricahua. He stated that the mountains are full of hunters, and that it is all a man's life is worth to go about the hills away from camp. He said that a drift is being run on the California-Paradise, and that the property is looking very good.

SEE BIG DEER

Tony Downes and W. Schwartz went over the divide hunting deer Friday morning. Just after daylight they saw a large buck, but he was too far away for a shot. This deer was seen but a few miles from Bisbee. Every day since the

deer season opened hunters have been going over the divide and while plenty of sign has been found none of the hunters have returned to town with any venison. The game is very wild and is keeping to the high ridges and hills.

TURN DOWN BIDS

The territorial board of control as turned down all the bids for the construction of the territorial road to connect Bisbee and Douglas. The board will readvertise for bids, as the first ones were considered to be much too high for the work. When Governor Sloan was here to deliver his campaign address he went over the road from Douglas to this city in an automobile to look the ground over in relation to the construction of the territorial highway.

DEPORTED MEXICAN RETURNS

F. L. Dayton of the immigration service was in Bisbee last night, from Tucson where he had been from Douglas to take a Mexican to the detention quarters. This Mexican was in bad health and had been deported some time ago with instructions to keep out of the United States. He disobeyed the order and came across the line at Douglas where he was arrested. The man is incurable and would soon become a public charge as he is unable to support himself.

SOURD ON MAINE

E. J. Norton, a Bisbee pioneer, and who at one time owned considerable property in this city, will soon return from Maine where he has been making his home for the past few years. He wrote to friends here that he can stand it no longer in Maine since that state went Democratic. Norton was one of the original Cochise republicans and always took a big interest in the political affairs of the county. He probably has not heard of what happened here last Monday. At one time Norton was chief of the volunteer fire department and was one of the workers for the incorporation of Bisbee. He went back to his old home in Maine to spend the rest of his days, but the democratic victory of Monday has soured the old man on the people of his native state, and it is Arizona for him.
